FEATURED AUDIO PRODUCTS BY DR. KENNETH WAPNICK

This five-day Academy class focuses on the ego's strategy of making its nothingness into something, thereby rendering our minds unable to choose the Everything. *A Course in Miracles* teaches us that the purpose behind the dream that is this world is to establish the reality of the mind's illusory dream of separation and keep us from returning to the decision-making mind. Thus the bodily world of specifics convinces us that it is the perfect Oneness of Heaven that is the dream. However, the Holy Spirit's happy dreams of forgiveness gently undo our mistaken choices until we are free to choose to return to the Everything we never truly left.

The media bombards us with advertising that encourages us to acquire products to help us pursue our dreams and find magic in our relationships and our lives. Even as Course students we may find ourselves hoping to discover that magical something or someone that will help make our dreams come true. Most of us are not aware of the ego mind's deliberate deception behind all of our dreams to find happiness in the world. In *A Course in Miracles* we are asked to recognize that any pursuit of happiness outside ourselves is a subtle ego ploy to reinforce the underlying false belief that we are bodies in a world, separate, alone, and lacking. The Course exposes the ego's plan, revealing our entire life as nothing but a dream, with all of our attempts to feel more complete and whole as nothing more than magical attempts within the dream to take away our pain, at the same time assuring that we never address the real cause of our sense of lack and deficiency—our choice for and belief in the ego thought system. Kenneth's teachings help uncover the ego's purpose behind the world's dream and all its magical attempts to conceal our feelings of emptiness. The miracle—the true remedy for what ails us—brings us back to the point in the mind where we made that faulty choice for the ego, and where we can now make the choice once again for “love's presence, which is our natural inheritance.” We are making a number of Kenneth's teachings related to this month's theme available at 25% off, which you will find on the following page.

PROGRAMS

Live-Streaming Only

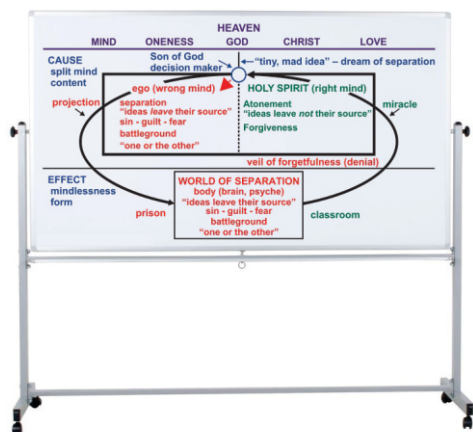

Faculty: Dr. Jeffrey Seibert

As a result of current restrictions within the state of Nevada due to the coronavirus pandemic, the Foundation is closed to the public (our shipping department is allowed to continue processing internet and phone orders). During this undefined period of time, our goal is to continue to make scheduled programs available either through Live Streaming or Podcasts, as we have indicated below for the next four months. If the restrictions should be lifted sooner, we will make the appropriate modification to again allow registrations for physical attendance in Henderson.

SEMINARS (Live Streaming)

A Full-Day Seminar, [“The Power of Wanting”: Recognizing What We Value, Wish For, and Desire](#) will be held on Thursday, May 14, from 10:00 am-12:15 pm and 2:00 pm-4:15 pm. The fee is \$45.00. In addition to watching the class live, you will have access to recorded class videos for approximately two weeks after the Seminar. Online registration is open through Sunday, May 10.

The Foundation will also present a Full Day Seminar, [Communication and Healing: From Fragmentation to Wholeness](#), on Thursday, July 16, from 10:00 am-12:15 pm and 2:00 pm-4:15 pm. The fee is \$45.00. In addition to watching the class live, you will have access to recorded class videos for approximately two weeks after the Seminar. Online registration is open through Sunday, July 12.

WEEKLY CLASSES

Although the Foundation’s weekly Wednesday morning class is no longer open to the public, it will be recorded and available at no charge as a Podcast on our Streaming Website. This class is on the *Journey through the Text of “A Course in Miracles,”* and is conducted by Dr. Jeffrey Seibert. Location of the weekly Podcasts can be found under [New Releases](#).

The weekly classes are not being Live Streamed at this time.
