FEATURED AUDIO PRODUCT BY DR. KENNETH WAPNICK

NC1 • 8 Audio CD Set • \$79.95
FEATURED PRICE: \$40.00

This eight-CD set is an in-depth presentation of the teachings of *A Course in Miracles*. It is a distillation of several of our Foundation's audio recordings, including: "An Overview of *A Course in Miracles*," "Living *A Course in Miracles*," "Form vs. Content: Sex and Money," "Love Does Not Oppose," "Climbing the Ladder Home," and "The Gift of the Ego: Fear/The Gift of God: Love." The CD set includes a printable Guidebook, as well as an accompanying booklet containing a prelude and postlude to each disc.

In this distinctive program, Kenneth shares his insights on:

- The fascinating story of how the Course was first revealed and documented.
- How the Course has impacted his and his wife Gloria's lives.
- How to deal with your relationships in a manner that is compassionate and life-transforming.
- How to look at your fear without judgment, and how to manage your fear when it arises.
- The six stages of Development of Trust and letting go of your current values in the world.
- How to discern and choose love over the fears that currently exist in your life.

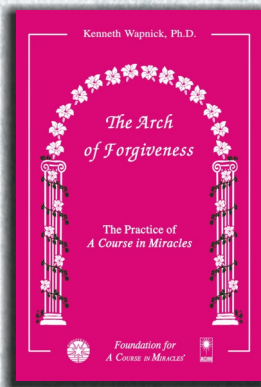

And much, much more!

As children many of us experienced joy over and sometimes disappointment with the gifts we received, whether it was on special occasions or at unexpected times. As we grow up physically and spiritually, we find that the very concept of the gifts we wish to receive has changed. The Course asks us to question whether the content or purpose of what we wish to receive has really changed in any meaningful way over our lifetime. From the Course we learn that there are two perspectives from which we can think about the gifts we wish to receive. The Course informs us that, without being aware of it, we have been asking for the gifts of the ego, which fill perceived physical and psychological needs, lacks or desires. Concurrently within is *another* perspective on what we *truly* want to receive within—forgiveness and joy, awareness of peace and innocence—manifestations of the acceptance of the Holy Spirit's gifts.

The titles by Kenneth on sale at 25% off for the month of August can help us to learn how to make the shift from spiritual childhood toward adulthood in the gifts we wish to receive, by recognizing the content and consequences that are the real gifts that lie beneath the forms of whatever we think we want—the difference between the tangible and intangible gifts. You will find these sale titles on the following page.

BOOK

The subject of this book drew its inspiration from the image of an arch immortalized by D. H. Lawrence in his novel *The Rainbow*. As the child in the story was freed to live her life framed by the pillars of love and strength represented by her parents, so Jesus asks us to view our daily lives as framed between the pillars of forgiveness and his love, allowing their quiet strength and gentle protection to nourish our experience and sustain our learning. We thus grow in our recognition of the contrast between life under the arch of his love and life outside it.

PROGRAMS

Live-Streaming Only

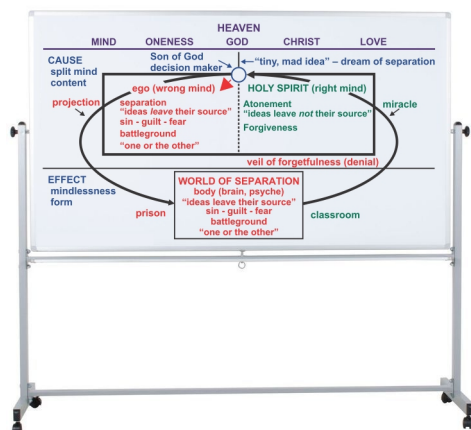

Faculty: Dr. Jeffrey Seibert

As a result of current restrictions within the state of Nevada due to the coronavirus pandemic, the Foundation is closed to the public (our shipping department is allowed to continue processing internet and phone orders). During this undefined period of time, our goal is to continue to make scheduled programs available either through Live Streaming or Podcasts, as we have indicated below for the next four months. If the restrictions should be lifted sooner, we will make the appropriate modification to again allow registrations for physical attendance in Henderson.

SEMINARS (Live Streaming)

A Full-Day Seminar, [The Practice of Mindfulness: Awareness and the Power to Choose](#), will be held on Thursday, September 10, from 10:00 am-12:15 pm and 2:00 pm-4:15 pm. The fee is \$45.00. In addition to watching the class live, you will have access to recorded class videos for approximately two weeks after the Seminar. Online registration is open through Wednesday, September 9.

The Foundation will also present a Full Day Seminar, [And Just Who Do You Think You Are?: A Case of Make-Believe, Stolen, False, or Mistaken Identity](#), on Thursday, November 12 from 10:00 am-12:15 pm and 2:00 pm-4:15 pm. The fee is \$45.00. In addition to watching the class live, you will have access to recorded class videos for approximately two weeks after the Seminar. Online registration is open through Wednesday, November 11.

WEEKLY CLASSES

Although the Foundation's weekly Wednesday morning class is no longer open to the public, it will be recorded and available at no charge as a Podcast on our Streaming Website. This class is on the *Journey through the Text of "A Course in Miracles,"* and is conducted by Dr. Jeffrey Seibert. Location of the weekly Podcasts can be found under [New Releases](#).

The weekly classes are not being Live Streamed at this time.
