BOOK

The Fifty Miracle Principles of *A Course in Miracles*

This book is a line-by-line analysis and in-depth discussion of the fifty miracle principles that begin the text of *A Course in Miracles*. These principles introduce students to concepts central to the Course's thought system. Based on a workshop, this study of the fifty miracle principles provides a clear summary of the teachings of *A Course in Miracles*, and includes questions from the group, allowing for further discussion of the principles and related ideas.

Toy Story: The Ego's Idols of Specialness

This workshop expands on passages in the Course where Jesus uses the metaphor of toys to talk about all our idols of specialness—both our special hate and our special love objects. These include all the relationships that we deem so important and so serious. Indeed Jesus relegates everything in our world to the category of toys, and we are simply like children playing with them, forgetting we have assigned them their roles in the games we play.

PROGRAMS

Live-Streaming Only

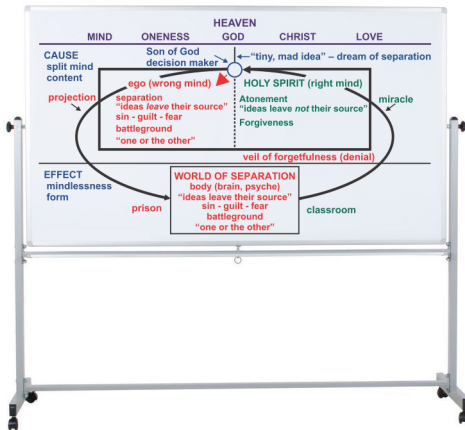

Faculty: Dr. Jeffrey Seibert and Virginia Tucker

As a result of current restrictions within the state of Nevada due to the coronavirus pandemic, the Foundation is closed to the public (our shipping department is allowed to continue processing internet and phone orders). During this undefined period of time, our goal is to continue to make scheduled programs available through either Live Streaming or Podcasts, as we have indicated below for the next four months. If the restrictions should be lifted sooner, we will make the appropriate modification to again allow registrations for physical attendance in Henderson.

SEMINARS (Live Streaming)

A Full-Day Seminar, [The Role and Purpose of Questioning, according to A Course in Miracles](#), will be held on Thursday, July 15 from 10:00 am-12:15 pm and 2:00 pm-4:15 pm. The fee is \$45.00. In addition to watching the class live, you will have access to recorded class videos for approximately two weeks after the Seminar. Online registration is open through Wednesday, July 14.

The Foundation will also present a Full Day Seminar, [Hide and Seek: Games Children Play](#), on Thursday, September 16 from 10:00 am-12:15 pm and 2:00 pm-4:15 pm. The fee is \$45.00. In addition to watching the class live, you will have access to recorded class videos for approximately two weeks after the Seminar. Online registration is open through Wednesday, September 15.

WEEKLY CLASSES

Although the Foundation's weekly Wednesday morning class is no longer open to the public, it will be recorded and available at no charge as a Podcast on our Streaming Website. This class is on the *Journey through the Text of "A Course in Miracles,"* and is conducted by Dr. Jeffrey Seibert and Virginia Tucker. Location of the weekly Podcasts can be found under [New Releases](#).

The weekly classes are not being Live Streamed at this time.
